Tango

The program will include 10 hours of instruction- to take place over the duration of 5 days - for dancers of varying levels, divided into separate instruction groups. In addition, you can choose different themed workshops (ist verständliches Englisch aber nicht so üblich, Alan würde eher sagen workshops with different themes) in order to work on specific areas or to expand on what you learned in the course.

Training Groups for a Maximum of 3 up to 4 Couples

A special program will be offered during some of the holiday weeks: a maximum of 3 couples for a period of 12 1/2 hours. Intense and personal practice is possible in these training groups. The topics and the level of dance will be tailored to accommodate the group.

Also included in this offer are daily video recordings with explanatory texts, and, if desired, discussion groups about expanded tango topics such as styles, methods can be offered. Michael Domke / 12 1/2 hour workshop/maximum of 3 couples

Planned: A Basic Principles Course for C/D/E Levels:

How to retain your concentration and develop excitement and dance intimately. How you can relax with good technique and a good feeling for perfect balance.

The connection in tango: How do you keep the intimate connectedness with one another in tango? A feeling for one's own body and energy, a feeling for the partner's body and energy, leading, following, precise technique! We will practice with "simple" (forward and backward pivot, diverse crossing variations) and complex (e.g. reverse sacadas, etc.) sequences of motion. Michael Domke / 6 hour workshop / maximum of 9 couples

We will be offering additional workshops to diverse topics every week. The course content will be based on the wishes of the participants.

Course levels

Beginners and beginners with previous knowledge/ A Somewhat advanced level // B Mid-Level / C Upper-Level / D Very Advanced Level / E
